Every Breath You Take

Sting

```
1. Every breath you take,
   every move you make,
   every bond you break,
   every step you take,
   I'll be watching you.

2. Every single day,
   every word you s ay,
   every game you play,
   every night you stay,

   I'll be watching you.

R: Oh, can't you see
   you belong to me.
   How my poor heart aches
   with every step you take.

3. Every move you make,
   every vow you break,
   every smile you fake,
   every claim you stake
   I'll be watching you

   Since you've gone
   I be lost without a trace
   I dream at night I can only see your face
   I look around but it's you can't replace
   I feel so cold and I long for your embrace
   I keep crying baby, baby pleace.
R:
4. = 3.

   Every move you make
   every step you take
   I'll be watching you
   I'll be watching you...
```
