

Welcome to the Universe

30 Seconds To Mars

And so the time has come, it's here
The silence ends, a change is near
You wait in the pallid slivered sky
Come into the pantheon

Welcome to the universe
Welcome to the universe

If there's a past into the clear
We better take the pace
Erase this face
In constant search for everything

You wait in the pallid slivered sky
Come into the pantheon

Welcome to the universe
Welcome to the universe
Welcome to the universe
Welcome to the universe

A new day has begun
