I Do (Cherish You)

All I am, all I'll be Everything in this world All that I'll ever need Is in your eyes Shining at me When you smile I can feel All my passion unfolding Your hand brushes mine And a thousand sensations Seduce me 'cause I

I do cherish you For the rest of my life You don't have to think twice I will love you still From the depths of my soul It's beyond my control I've waited so long to say this to you If you're asking do I love you this much I do

In my world, before you I lived outside my emotions Didn't know where I was going 'Til that day I found you How you opened my life To a new paradise In a world torn by change Still with all of my heart 'Til my dying day **98 Degrees**
