Come On, Come Out

A Fine Frenzy

Come on, come out, the weather is warm Come on, come out, said come on, come on A spot in the shade where oranges fall The spot in the shade away from it all

Watching the sky, you're watching a painting Coming to life shifting and shaping Staying inside, it all goes, all goes by

A blanket unfolds, a blanket to lie The pieces of gold, they light up your eyes And now we're alone and now we're alive

Watching the sky, you're watching a painting Coming to life shifting and shaping Staying inside, it all goes, all goes, all goes by

Stopping the time, the rush and the waiting Leave it behind shifting and shaping Keep it inside, it all goes, all goes, all goes by

It all goes passing by It all goes passing by Come on

Watching the sky, watching a painting Coming to life shifting and shaping Staying inside, it all goes, all goes, all goes by

Stopping the time, the rush and the waiting Leave it behind shifting and shaping Keep it inside, it all goes, all goes by

Come on, come out Come on, come out
