

## Burnin' Up

### A Flock of Seagulls

You cut me to the wire  
You shook me to the bone  
My object of desire  
Don't leave my heart alone

With one look in your eyes  
I saw the raging fire  
I'm burnin' up I'm burnin' up  
With such desire

Took one step in the dark  
Across forbidden lines  
Into the danger zone  
You took my mind

But you make me feel like I'm on fire  
You make me feel like I'm alive  
Love knocked me at the door  
Pinned me up against the wall

You said you play with fire  
You're gonna fall  
I took one look in your eyes  
Across the danger line

Now I'm burnin' up  
Love's blind
