Last night seen in the sky silver's (?) bright we be flying high it's just a dream it's just a dream it's just a dreaming

'snow joke

a little boy fell to the ground spilled his little seed he was gonna fall it's just a dream it's just a dream it's just a dream and we're all dreaming

'snow joke

"He taught me to sing a song. If you want to hear it, I can sin g it for you." (a sample from Stanley Kubrick and Arthur C. Clarke's film 2001: A SPACE ODYSSEY)

from on the ground to overhead no space between nothing to fear don't take a chance just come with me we'll hold hands and you will see

it's no joke
