

# Carry Me Home

Aaron Shust

Lord bring me home again  
I'm no longer able  
To bare the bitter winds  
Or the heavy rains  
I've long been settled  
Lord without comfort  
Just a man on an earthly thrown headed for the grave

Carry me home  
Sweet Jesus lift me  
Until I've flown  
The shadow of shame  
Your love alone  
Lord Jesus mends me  
Lift me up  
Oh Lord carry me home

Lord I've been branded  
A loyal sinner  
Seems like forever  
Since I said Your name  
I'm just a pilgrim  
Still afraid of dying  
But the sea is shining brightly  
With Your grace

Carry me home  
Sweet Jesus lift me  
Until I've flown  
The shadow of shame  
Your love alone  
Lord Jesus mends me  
Lift me up  
Oh Lord carry me home

Carry me home  
Sweet Jesus lift me  
Until I've flown  
The shadow of shame  
Your love alone  
Lord Jesus mends me  
Lift me up  
Oh Lord carry me home

Carry me home  
Sweet Jesus lift me  
Until I've flown  
The shadow of shame  
Your love alone  
Lord Jesus mends me  
Lift me up  
Oh Lord carry me home

Lift me up  
Oh Lord carry me home
