

Squeeze Anton

Agathocles

Anton Oh Anton,
You're such a dick head,
Do you really think you're the lord of satanism?
But your orgies, we spit on those
Squeeze Anton, the fake satanist
Feed his guts to his dogs of hell
Squeeze Anton, skin his dick
Occultism is not a profitable thing.
Anton and the white pope,
Are the same kind of jerks
Earning lots of money
By means of religious ignorance.
