

Sonny Say You Will

Alannah Myles

Sonny say you will
Take me strolling with you out on the boardwalk
'Cause you know you always make me feel
Like we are lovers on parade with a sweet talk

You look so cool but I know that you care
The way you run your fingers through my hair
You make me feel like I'm a star on your sleeve
The way you hold me it's so wild and sweet

And Sonny say we will
Go walking down by the ocean
The night can get so still
And lovers they can get the notion

The street is crazy with the summer heat
Lost souls collide, try to land on their feet
You make me feel like I'm no ordinary girl
Why don't we walk out of this every day world?

And Sonny say we will
Spend the night all alone together
This is some kind of wonderful, ooh
Sonny let it last forever

But Sonny, say you will
Sonny, let it last forever and ever and ever
Sonny say you will, I know you will

I know you will
