

# The Cry

Alastis

Child offered to God  
Soul sold by his  
You're his life  
You're his force

Fear their promises  
They smell of lies  
Shun their power  
They will kill you

Child persecuted in faith  
Soul humiliated on pyre  
You're his life  
You're his force

Listen to your heart  
It cries your faith  
Listen to your voice  
It cries his name ...
