

# All About My Girl

Albert Collins

When you told me it was all over, babe  
You thought all I ever was, was through,  
When you told me it was all over, babe  
Thought all I ever was through (oh yeah!)  
I had three more irons in the fire  
Sorry, but I forgot to tell you

One more thing I'd like to tell you right now, uh-huh

You thought I'd be hurt when you left me babe  
But I found another friend,  
Yeah, you thought I'd be hurt when you left me babe  
Well, I found another friend, (found me somebody else)  
But sometimes what you lose,  
Is nothing compared to what you win  
(I'm gonna feel alright now)

A good man may fall, babe (oh yeah) but ya get back on your feet  
(Yeah, I know, I know, I know)  
You know, you know, a good man may fall, babe  
Ya know ya get back on your feet  
Yes I've got a good thing goin' now, woman (got a good thing goin' now)  
Oh the future look good to me (future look so good to me) alright
