

# You And Me

Alice Cooper

1. When I got home from work,  
I wanna wrap myself around you  
I wanna take you and squeeze you  
'till the passion starts to rise.  
I wanna take you to heaven  
that would make my day complete

R: But you and me ain't movie stars  
what we are is what we are  
we share a bed some lovin' and t.v. yeah.  
That's enough for a workin' man  
what I am is what I am  
and I tell you babe  
well that's enough for me.

2. Sometimes when you're asleep and  
I'm just starin' at the ceiling  
I wanna reach out and touch you  
but you just go on dreamin'.  
If I could take you to heaven  
that would make my day complete

R: But you and me ain't movie stars  
what we are is what we are  
and I tell you babe  
well that's enough for me.

You and me ain't no superstars  
what we are is what we are  
we share a bed some popcorn and t.v. yeah.

And that's enough for a workin' man  
what I am is what I am  
and I tell you babe  
well that's enough for me.

3. = 1.

R: But you and me...
