

Be Easy

Alice Smith

Turn me on, turn me over, turn me all around
I can do a show now, I can make it easy.
You don't have to be so hard, we don't have to go there.
If it is what it's gonna be, we don't have to rush.

Easy, easy, easy.
Easy, easy, easy.

All the places we can go, this is the beginning
Simply so good, don't you know, even in the in day
If you like it, just enjoy, you don't need a reason.
I can see it happen now, baby, can't you feel it?

Easy, easy, easy,
Easy, easy, easy.
Easy, easy, easy.
Easy, easy, easy.

Make it easy, baby.
Don't you want to
Make it easy, baby.
Don't you want to
Make it easy, make it easy.

Easy, easy, easy,
Easy, easy, easy.
Easy, easy, easy.
Easy, easy, easy.
