

# The Idiot's Genius

Andrew Bird

Viridian green  
Was the color that triggered  
The relapse that brought on  
The idiot's genius,

Viridian green was  
Mossy and seamless,

The insidious dream  
Was white lighted arenas  
Intolerable boredom  
That washed, peeled, and cored him  
Incalculable fear, invertible spheres,

Insidious dream was  
The idiot's genius
