

# Day To Day Tragedy

Annisokay

What is it, what is it that you think you need?  
In this dream I'll have of you  
A lot of serious damage will be freed  
We all walk through this world alone  
With the feeling that your life is incomplete  
We all keep ourselves unblushed, unknown  
The abuse of power and selfishness  
The abuse of power and selfishness  
What is it, what is it you need?

Maybe it's not for me to say  
I can't see what they see in you anyway  
Maybe it's not fair for me to say  
But you change your mind from day to day  
Don't let me down  
Desperate for love to be pure  
Don't let me down  
You prove me wrong everytime  
I am sure

What is it, what is it that you think you need?  
In this dream I'll have of you  
A lot of serious damage will be freed  
We all walk through this world alone  
And we don't give a fuck  
Desperate for love to be pure  
Don't let me down  
But you prove me wrong everytime

Don't let me down  
Desperate for love to be pure  
Don't let me down  
You prove me wrong everytime  
I am sure  
Don't let me down  
Desperate for love to be pure  
Don't let me down  
You prove me wrong everytime  
I am sure

I don't know, I don't know what else to say  
As often as I tried  
Bring it back, bring it back then take it all away  
I will always keep this by my side  
I will always keep this by my side  
what is it, what is it you need?

Maybe it's not for me to say  
I can't see what they see in you anyway  
Maybe it's not fair for me to say  
But you change your mind from day to day  
Don't let me down  
Desperate for love to be pure  
Don't let me down  
You prove me wrong everytime  
I am sure  
Don't let me down

Bring it back, bring it back then take it all away  
Don't let me down  
You prove me wrong everytime  
I am sure

What is it, what is it that you think you need?  
In this dream I'll have of you  
A lot of serious damage  
Will be freed
