Motha Fucka Get away from here while you still have the chance. Go, run, ahhhhh BLAAAAM! Up in the club Eastside, who ride, true juggalo scrub They know me up in valet parking They know me don't be parking there cause they charging Where the fuck these bitches at? I be the Anybody Killa with the gitchy sack I'ma smoke where I wanna smoke, FUCK THAT! Snake skin hatchet gear with the alphabet hat, beyotch I'm ready bring all these hoes Sick of hood rats at party stoes Everybody knows, I'm heading down town At the shelter, St. Andrews, underground I want a gothic bitch outta Noir Leather To come and fuck this thug when I'm on the teather I'm like Cinderella cause I'm on the clock So I'm asking for the pussy right up on the spot "What up you little freaky gothic bitch? You ever fucked a juggalo killa bef ore?" "Look, I have a haunted neden." "SHIT! It's all in the good. I got a haunted dick piece, sides, it's raining diamonds. I ain't scured" Haunted shmaunted Bitch, you know I like the wicked shit you ain't gotta flaunt it Let's head to your crib, you can jibber-jab We'll head upstairs and I'll give it a stab She took her panties off and the door shut behind me Oh yeah, her neden's haunted, don't remind me Her panties were scary though I will admit With the tag reading Woolworth's 1986 I almost needed a crowbar, a hammer, and a pile driver Just to get my fucking nub up inside her She had bush for acres, unexplored terrain By the time I finished cutting it grew out again Bend her legs back and used the wood chipper Shaved the first half down and quickly flipped her Ok, now spread your legs, ahhhhhhh vimpire bat Bring it, rats, bitch you got a haunted ass Your neden's haunted, you got parasites and poltergeists Your neden's haunted, with that demon neden you ain't right Your neden's haunted, you been fucking frankenstein and them Your neden's haunted, please go get that shit an exorcism Bats flying out of her puss, so what? My dead homie Blaze be doing that with his butt I'm still fucking her (You got a jimmy?) Do I got one? I'm rocking a lumpy indian witch doctor condom I can hump a landmine wearing that shit It might blow my ass up but wouldn't scratch my dick

Shit I challenge your ghost, I got ghosts of my own So bitch open a portal, walk and bring that shit home Fucking this bitch was like fucking Anna Nicole Smith

Just a fat dumbass silly fucking dumb bitch

Nothing more, nothing less
I pulled the snappy off and I aimed for her chest
The only ghost she had right about then
Was the mysterious white orbs I left on her chin
That night I'm sleeping giving the dick rest
When it fucking came alive, my shit was possessed
Your nuts, we want your nuts
We'll itch and scratch and bite your nuts
Your nuts we, want your nuts
Please don't, please fuck dirty butts (Repeat)

Your neden's haunted, you got parasites and poltergeists Your neden's haunted, with that demon neden you ain't right Your neden's haunted, you been fucking frankenstein and them Your neden's haunted, please go get that shit an exorcism
