

## Things Going Down

Archive

I don't like your space  
I don't like your hate  
When you direct your smile  
It just burns a hole in me

When I feel you burn  
See you turn  
Don't turn your hate on me  
Turn that hate on me

Don't turn that hate on me  
Break me free  
I'm sure about  
Things going down

Don't turn that hate on me  
Don't turn that hate on me  
Don't turn that hate on me
