

## One Less Holiday

Art Garfunkel

Don't know what to do,  
Someone that I knew  
Never strayed from home  
When I'd leave her alone.  
Now I watch the people on the street,  
Fix myself a drink,  
Try not to think  
Of the someone I knew.  
One Less Holiday  
As time slips away.  
And all that's left is  
One Less Holiday.
