

Whole Again

Atomic Kitten

If you see me walking down the street
Staring at the sky and dragging my two feet
You just pass me by
You still make me cry
But you could make me whole again

And if you see me with another man
Laughing and joking, making the best of this I can
I wont put you down
Baby I still want you around
Cause you can make me whole again

Looking back on when we first met
I Cannot escape and I cannot forget
baby you're the one
You still turn me on
You can make me whole again

Time is laying heavy on my heart
Seems I've got too much of it since we've been apart
My friends make me smile
if only for a while
But you can make me whole again

For now I have to wait
But baby if you change your mind
Don't be too late, cause I just can't go on
It's already been too long
But you could make me whole again
