

# Goodnight Neverland

## Automatic Loveletter

Look around  
The only thing that I see are the cracks  
Openin' up around me  
I'm checkin' underneath my bed before I go to sleep  
You used know what I wanted to say  
Now my words, they only get in the way  
You threw the water on the fire deep inside of me  
And now it's gonna be

So goodnight neverland  
Do you know where we were gonna be with  
Such a brilliant plan  
Such a fool I didn't see  
You never meant the words you said  
Didn't understand  
So goodnight neverland  
Goodnight neverland

Walk around  
But I can't feel my feet  
I look outside  
But the sun-bleached streets  
Are blinding me today  
Lost my head  
So hold on death  
This is how we end

So goodnight neverland  
Do you know where we were gonna be with  
Such a brilliant plan  
Such a fool I didn't see  
You never meant the words you said  
Didn't understand  
So goodnight neverland  
Goodnight neverland

Rollercoaster ride  
We were only meant to fly in dreams  
Try to get that high  
We were only kids with broken wings

Goodnight neverland  
Do you know where we were gonna be with  
Such a brilliant plan  
Such a fool I didn't see  
You never meant the words you said  
Didn't understand  
So goodnight neverland  
Goodnight neverland
