

Sorrow

Bad Religion

Father can you.....
How have ...
I curse the day that I ...
And all the sorrow in this world

Let me take you to
Where all good men
Just to settle a bet
Between a prideful father ...

Will you....
A reason
What if every living soul
Well, then I do imagine...

R: There will be sorrow
Yeah there will be sorrow
And there will be sorrow, no more

When all soldiers lay
Or when all kings and all queens
Or when the only true messiah
It's easy to imagine...

R: There will be sorrow...

(solo)

R: There will be sorrow... (2x)
