

Lovesick

Banks

Please call me your baby baby baby
Look how long that you have kept me waiting
I'm all in, look at all that I have given
Oh, I know your love before I kissed you
And now you're gonna make me miss you
Come love me, baby come love me

Cuz I'm lovesick
And I ain't even ashamed
And I'm caught up, for some time in your sheets
Would you been down to spend all your time with me?
Cuz I'm lovesick
Cuz I'm lovesick
And I ain't even ashamed
And I'm caught up for some time in your sheets
Would you been down to spend all your time with me?
Cuz I'm lovesick
