Bee Gees

How can you tell by lookin' at me?  
How can you tell, you like what you see?  
Suddenly there's a boy in the rain alone  
Suddenly there's a girl in the rain alone

Oh, yeah

How can you tell humans are real?  
How can you tell, you like what you feel?  
Suddenly there's a girl in your heart, oh, boy  
Suddenly there's a boy in your heart, oh, boy

Yeah, yeah

Yeah, how can you tell by lookin' at me?  
How can you tell, you like what you see?  
Suddenly there's a boy in the rain alone  
Suddenly there's a girl in the rain alone
