

# Here Comes the Night

Ben E. King

Here comes the night  
See the stars in the sky  
Shining up above  
Night of love  
Darling, just you and I

And here comes the night  
How I thrill to your kiss  
Music fills the air everywhere  
Night of magic and bliss

Think of the moments  
The hours and hours  
That we were apart  
Moments and hours that kept  
Bringing showers of  
Tears to my heart

Oh, oh, oh, oh...  
And here comes the night  
Like the others before  
But tonight's divine  
You are mine once more

Think of the moments  
The hours and hours  
That we were apart  
Moments and hours that kept  
Bringing showers of  
Tears to my heart

Oh, oh, oh, oh...  
And here comes the night  
Like the others before  
But tonight's divine  
You are mine once more

Here (comes the night)
