

# Give Judy My Notice

Ben Folds Five

Judy  
Could Anyone Be Loved Anymore  
Than I Love You  
Does It Hurt You Too?

Well, Judy  
I've Been Feeling Small Too Long  
I Love You So  
But Something's Wrong

And I Come Running When You Want Me Here  
And When You Want Me To, I Disappear  
Judy

I Knew If I Made It Easy For You  
You'd Settle For Me, Yeah Eventually

But Judy  
I Can't Be Myself Anymore  
It's Way Too Hard  
Being Loved By Default

And I Can't do This Any Longer  
The Vacuum Left Is So Much Stronger  
Judy

Judy You Know I'm Not Mad Anymore  
At Least Most of the Time  
But It Could Take a While  
I've Been Living Just to See You Smile  
Ever Once in a While

Tears Fall  
But That Don't Mean Nothing At All  
Just Cause I Said It First  
That's Why It Hurts

And Judy,  
I Won't Be Your Bitch Anymore  
And Follow You Around  
And Hold the Door

I'm Not Sorry If  
You're Not Sorry  
And You're Not Sorry  
Till I Make You Judy
