

# The Fire

Ben Howard

Lie here till your world stops spinning round  
Lie near me till the birds start singing out  
Come, show what it is to be warm  
Be my shelter and I'll be your storm

Come, lie down till the four winds cease to blow  
Lie here full of rivers that you know  
And I'll make your bones shake the sweat we take off hearts still  
battered and worn  
Be my shelter and I'll be your storm

And we'll show the fire,  
Yeah, we'll show the fire how to burn  
Yeah, we'll show the fire,  
We'll show the fire how to burn

And we'll show the fire,  
Yeah, we'll show the fire how to burn  
Yeah, we'll show the fire,  
We'll show the fire how to burn

I don't know, I don't know where you came from,  
But God's been smiling  
I don't know, I don't know where the rain's gone  
But it's been a while, been a while now

I don't know, I don't know where you came from,  
But God's been smiling  
I don't know, I don't know where the rain's gone  
But it's been a while, been a while now, been a while now

I don't know, I don't know where you came from,  
But God's been smiling  
I don't know, I don't know where the rain's gone  
But it's been a while, been a while now  
But it's been a while, been a while now
