

## Comin' Back

Bent

I, I walked along and I wound my way around  
I, I saw a light, shining bright  
I, I'm not sure  
Is it too late to call?  
So I keep my eyes to the floor

Oh I, I can't carry this load anymore  
Oh I'm so afraid to call on your door

Feeling so alone  
Along a lonely road  
Feeling so alone  
Well I'm comin' back

I, walked along the water's edge  
I, saw my reflection stare back  
I, don't know where I'm going  
But I know where I've been  
Some days, I don't fit in my own skin

Oh I, I can't carry this load anymore  
Oh I'm, so afraid to call on your door  
Oh I, can't carry this load anymore  
Oh I, I'm comin' back  
Comin' back
