

Say I'm Your Number One

Beverley Knight

Say I'm your number one
I only wanna be close to you
Say I'm your number one (your number one your number one)
'Cause you know I'll be good to you
Say I'm your number one

They say I'm crazy
They say that I'm a fool
And I feel so helpless because love can be so cruel
But I'm just waiting and burning up inside
Come tomorrow
Come tomorrow
Will you still be mine

Say I'm your number one
I only wanna be close to you
Oh oh say I'm your number one (your number one your number one)
'Cause you know I'll be good to you
Say I'm your number one

Oh yeah
You may be tempted and sometimes led astray
But I know but I know you'll regret it the very next day
I sit and wonder whenever we're apart
Would you do it
Would you do it
Would you go and break my heart

Say I'm your number one
I only wanna be close to you
Say I'm your number one (your number one your number one)
'Cause you know I'll be good to you

Tell me tell me that nobody else will do
'Cause I only wanna be with you

Say I'm your number one
I only wanna be close to you
Say I'm your number one (your number one your number one)
'Cause you know I'll be good to you
