Why do I end up in so much shit? I done came way too far to be callin' it quits Jake wanna lock me up even though I'm legit They can't stand to see a young brother's pockets get thick

Hey yo, enough's enough, federals try to set me up Put me in cuffs and crush what I lost into dust Plus, they want a nigga sued, but they know Big Joey Crack ain't never rat a cat that he know For sure, death before dishonor, I left the streets alone Since Tone deceased it almost killed his mama So I'ma keep doin' what I'm doin' Pursuin' my dream till there enough cream to start my own union

And show these kids how legit it is Shit is real I used to steal but now I own several businesses So where's your witness that you claim to have Sayin' that I'm takin' half, extortin' New York and not payin' tax? I'm layin' back, playin' the role, playin' the low But it's the same ol' Joe so don't get K.O.D Hey yo, I'm gonna fry for what I never did Or catch a heavy bid, why don't they just let a nigga live?

Why do I end up in so much shit? I done came way too far to be callin' it quits Jake wanna lock me up even though I'm legit They can't stand to see a young brother's pockets get thick

Why do I end up in so much shit? I done came way too far to be callin' it quits Jake wanna lock me up even though I'm legit They can't stand to see a young brother's pockets get thick

What would you do If the vicious enemy suddenly started comin' at you Armed to the teeth, and ready to kill you?
