

# All Neon Like

Björk

Not 'til you halo all over me  
I'll come over  
Not 'til it shimmers 'round your skull  
I'll be yours

I weave for you  
The marvellous web  
Glow in the dark threads  
All neon like

The cocoon surrounds you  
Embraces all  
So you can sleep  
Foetus-style

And they will assist us  
'Cause we're asking for help  
And the luminous beam  
It feeds you,  
Henh-yeah!, henh-yeah

The soft distortion  
Fills you up  
Nourish nourish  
Your turtleheart

And they will assist us  
'Cause we're asking for help  
And the luminous beam  
It feeds you  
Henh-yeah!, yeah!

Don't get angry with yourself  
Don't, don't get angry with yourself  
I'll heal you

With a razorblade  
I'll cut a slit open  
And the luminous beam  
Feeds you honey, heals you

Don't get angry with yourself

I'll heal you, i'll heal you  
luminous, i'll heal you
