

## New Hunger

## Black Light Burns

Pulling on your lazy arms  
Get up out of bed  
There's vanity  
In the holes from which we bled  
Your armies have come and gone  
Silence on the battleground  
This insurgence was just enough to see them drowned

You wanna swim with us, you've gotta get to the water

Take me to your mountain  
Tear down the waterfall  
It's coming near  
Listen you can hear it call  
So put a coin inside your mouth  
And wade out to your knees  
You crumble down  
And give yourself to the sea

You wanna swim with us, you've gotta get to the water
