

## Letters from Earth

Black Sabbath

Well it's a cold world  
And I'm in the middle  
Caught in the in-between

I don't belong here  
So I'm writing to you  
It's wrong here  
Where I'm sending you some

Letters from earth

Well it's a new world  
And now I'm a stranger  
Stranger than you know

I don't belong here  
And I'm writing to you  
With blood on my hands

What if I send you madness?  
What if I send you pain?  
And letters from earth

Come on it's another game  
But you gotta play on  
'Cause they say it's just pretend  
Ask them why they say you'll never, never die  
Come on - The game is called the end

Well it's a cold world  
And I'm in the middle  
Caught in the in-between

I don't belong here  
So I'm writing to you  
Hey let me explain

What if I send you confusion?  
What is the time and the pain worth?  
Oh no no  
I'm only sending - Letters from the earth
