

## Cold

## Blood Red Shoes

Keep me from you, I don't want to be around anyone  
You are free to let go  
Follow, slowly

Cold cold heart heart  
Cold cold heart heart  
Cold cold heart heart  
Cold cold heart heart

Take a step out into the daylight  
I don't wanna fight for it all  
And forget it when we fall  
You and I are moving the same way  
I don't wanna fight for it all  
And forget it when we fall

I see your face  
Look at me like I'm nothing  
I believe in you  
Something is happening

Cold cold heart heart  
Cold cold heart heart

Take a step out into the daylight  
I don't wanna fight for it all  
And forget it when we fall  
You and I are moving in the same way  
I don't wanna fight for it all  
And forget it when we fall

Cold cold heart heart  
Cold cold heart heart

Take a step out into the daylight  
I don't wanna fight for it all  
And forget it when we fall
