

## Just One Smile

## Blood, Sweat & Tears

Can I cry a little bit  
There's nobody to notice it  
Can I cry if I want to  
No one cares

Why can't I pretend  
That you love me again?  
All I had has been taken from me  
Now I'm cryin'  
And tears don't become me

Just one smile,  
Pain's forgiven  
Just one kiss, girl  
Now the hurt's all gone  
Just one smile to make my,  
Make my little life worth livin'  
A little dream to build my world upon

How I wish  
I could say  
All the things that I forgot to say  
How I wish you  
Could see what's here  
In My heart  
I don't ask for much  
A look, a smile, a touch  
Try to forget  
Well, the Lord knows I'm tryin'  
But it's so hard to forget girl,  
When your whole world is dyin'

Just one smile,  
Pain's forgiven  
Just one kiss, girl  
Now the hurt's all gone  
Just one smile to make my,  
Make my little life worth livin'  
A little dream to build my world upon

Try to forget  
Well, the Lord knows I'm tryin'  
But it's so hard to forget girl,  
When your whole world is dyin'

Just one smile,  
Pain's forgiven  
Just one kiss, girl  
Now the hurt's all gone  
Just one smile to make my,  
Make my little life worth livin'  
A little dream to build my world upon
