

Should Be Loved

Blue October

Stop staring, youre the reason I feel so unhappy all the time.
Look, Ive given you everything I know how.
Youre standing on the top of my shoe,
Youre keeping me from gaining ground, yeah.
Look, Im sorry if you feel like I let you down.

Can you tell me what have I done so wrong..to you?
T-T-T-Tell me, what am I supposed to do?

I should be loved by you,
That I know is true.
I cant breathe when youre around, no.
I should be held at night,
That I know is right.
I cant breathe when youre around.

Youre too scared,

Scared of all of it,
I get that feeling Im talking to the wall.
Can you hear me at all?
Look, my world was shaking, my mind was quaking, my heart kept breaking,
I threw it against the wall.
Can anyone feel me at all?

Can you tell me what have I done so wrong...to you?
T-T-T-Tell me, what am I supposed to do?
I got a feeling, youre falling out of love...with me.
T-T-T-Tell me, who am I supposed to be?

I should be loved by you
That I know is true.
I cant breathe when youre around, no.
I should be held at night,
That I know is right.
I cant breathe when youre around.
Yeah, I cant breathe when youre around.
Look, I cant breathe.

I should be loved by you,
That I know is true.
I cant breathe when youre around.
I should be held, I should be held.
I cant breathe when youre around.
No, I cant breathe when youre around.
No, I cant breathe....
