

Good Time Baby

Bobby Rydell

(Good time baby, yeah)

My chick's dynamite, kicks, kicks every night
Good time baby - let's go crazy
You're such a thrill to kiss
Too much when we twist
Good time baby, I'm gonna stick with you

You're a real cool baby and I don't mean maybe
And when I'm with you everything we do moves me to my soul (hmm
)
Yeah yeah super-fine make sure you're all mine
Good time baby I love you yes I do - Whoa

Good time baby, let's go crazy, whoa-oh
Good time baby I love you yes I do

You're a real cool baby and I don't mean-a maybe
And when I'm with you everything we do moves me to my soul-yay
