## I Love This Town

I always knew, that I'd like this place You don't have to look too far, to find a friendly face I feel alive when I'm walkin' on the street I feel the heart of the city poundin' underneath my feet

Yeah let the world keep spinning round 'n' round This is where it's goin' down, down, down That's why I, love this town That's why I, keep co-min' round

Say hey (say hey) say yeah (say yeah) You make me feel at home some how, right, now That's why I, love this town

I've got some good friends here, I might have broke a heart or two It's gettin' loud over there, they boys must have had a few And hey the cop on the corner, he knows everybody's name And a kid with a dream singin' for some spare loose change

Yeah let the world keep spinning round 'n' round This is where it's goin' down, down, down That's why I, love this town That's why I, keep co-min' round

Say hey (say hey) say yeah (say yeah) You make me feel at home some how, right, now

That's why I, love this town

There's shoutin' from the rooftops Dancin' on the bars Hangin' out the window Drivin' in their famous cars You want it? You got it You ready? I'm on it Come on now, here we go again....

That's why I, love this town That's why I, love this town

No matter where you're from, tonight you're from right here This is where it all goes down, down, down That's why I, love this town

Say hey (say hey) say yeah (say yeah) I love this town Say hey (say hey) say yeah (say yeah) I love this town Say hey (say hey) say yeah (say yeah) I love this town

Say hey (say hey) say yeah (say yeah) I loove this town
