

# If I Was Your Mother

**Bon Jovi**

If I was your mother would you let me hold your hand  
Would you say you were my baby... would you always be my friend  
If I was your mother could I teach you what's right  
Could I tell you stories maybe tuck you in and kiss you sweet goodnight  
Tell me what I've gotta do to make my life mean more to you  
I could get so close it's true  
If I was your mother  
Would you always believe me  
'Cause I'd wake up in the middle of the night just to see if you need me  
Tell me there's no other to who you're telling your secrets  
And would you tell me 'bout all the boys you been  
Bringing home to meet me  
Tell me what I've gotta do to make my life mean more to you  
I could get so close it's true  
If I was yours  
Tell me who I've gotta be to make you a part of me  
No one else you ever need  
If I was your  
Mother mother if I was your mother, mother  
When love is blood you're never on trial  
Love don't get deeper than a mother & child  
Oh baby, I got to get that close to you  
Tell me what I've gotta do to make my life mean more to you  
I could get so close it's true  
If I was yours  
Tell me who I've gotta be to make you a part of me  
No one else you ever need  
If I was your  
Mother mother if I was your mother, mother  
Mother mother if I was your mother, mother  
Mother mother if I was your mother, mother
