

# Never Say Goodbye

Bon Jovi

1. As I sit in this smokey room  
The night about to end  
I pass my time with strangers  
But this bottle's my only friend  
Remember when we used to park  
On Butler Street out in the dark  
Remember when we lost the keys  
And you lost more than that in my backseat  
Remember when we used to talk  
About busting out - we'd break their hearts  
Toge ther forever

R: Never say goodbye, never say goodbye  
You and me and my old friends  
Hoping it would never end  
Never say goodbye, never say goodbye  
Holdin' on - we got to try  
Holdin' on to never say goodbye

2. Remember days of skipping school  
Racing cars and being cool  
With a six pack and the radio  
We didn't need no place to go  
Remember at the prom that night  
You and me we had a fight  
But the band they played our favorite song  
And I held you in my arms so strong  
We danced so close we danced so slow  
And I swore I'd never let you go  
Together forever

R: Never say goodbye...

I guess you'd say we used to talk  
About busting out we'd break their hearts  
Together forever
