

# Do It Again

Bone Thugs-N-Harmony

Let's do it again  
Let's do it again

Sweet breeze in the summer time  
Were makin' everything alright  
Always keep ya hypnotized  
We keep ya feelin' oh so high

Like its 1999  
All over again with all of my hustlers, soldiers by my side  
Been a long, long ride, I'm still amazed how the time fly by  
A lot of my niggas didn't make it to see this  
But I'm not gonna cry  
We slammin' doors on the caddy coupe  
After bar groupin'  
When them niggas was out there shootin'  
Drinkin' 40's on the roof  
Went from zeros to six figures  
To seven figures and better  
Niggas determined to get on the level  
Down for whatever, chasin' that chedda  
Ride anywhere necessary, the celebration is necessary  
It's a hard load to carry  
But that there was temporary  
I let it relax sometime  
Just chill out with my money  
Then when Layzie Bone is at it again, another summer  
Lets have a ball nigga and keep this one blazin'

Sweet breeze in the summer time  
Were makin' everything alright  
Always keep ya hypnotized  
We keep ya feelin' oh so high

Hey they thought it was over  
The bone thugs n harmony was finished  
But they, they must of forgot, they forgot how much I rapper like I  
Sat back recline, and trained my mastermind  
Came up with a faster rhyme  
In time this dogg has got you hypnotized  
So I gotta ask them how in the hell we gon fall off  
When we got half of this industry swangin' from my balls  
Me and dawgs  
Untouchable niggas, could never see us, never be us  
Won't even get close enough to try to defeat us  
Niggas that have they come learn with the milla-meta, meta  
Loudest niggas you ever gonna see ah  
Talk and get served and you'll that we be it, runnin' the game  
Still doin' our everyday thangs, bang  
So I really hope you got you game up  
Cause we comin' hard so don't get involved  
If y'all ain't ready to bring ya gangsta

Sweet breeze in the summer time  
Were makin' everything alright  
Always keep ya hypnotized

We keep ya feelin' oh so high

You feelin' we slippin' huh  
You think that we missin' the 1st of the month  
10 years we done been here  
We spending them thangs and bringin' them guns yup  
We better get it, we don't have that ammunition  
But I bet we takin' it there  
Got us a mac if you wanna ride I ain't braggin' but I keeps it real  
You know them thug niggas is gonna bring something  
That everybody gonna feel  
You ridin' and rollin and smokin' and bumpin'  
Yeah that's how I live  
And I been here so I live here  
Won't put me out my crib  
My address is the game and my second it is the hood  
We comin' back like cool water and soda  
A couple of shakes and we hittin' the hood with that heart  
Do it again we gotta  
Part of the thugsta law back to nothing  
Nothing bumpin' goin to jump  
I did it then and that is where I'm from  
And I can do it again and again and again and again

Sweet breeze in the summer time  
Were makin' everything alright  
Always keep ya hypnotized  
We keep ya feelin' oh so high
