

# Stolen

Brandon Heath

Featuring: Brandon Heath

I'm a fugitive  
Running from the life that I was meant to live  
Looking for somewhere that I can lay my head  
I'm lucky if I make it through the night  
But I can't sleep  
Knowing that You're one more step ahead of me  
I'm a fool for ever thinking You'd just let me go  
That's not the way it's ever gone before  
I'm Yours

You catch me like a thief in the night  
You hold me when I put up a fight  
You chase me when I run from Your light  
Because You love, You won't give up  
'Til my heart is stolen  
'Til my heart is stolen away

I'm trying to understand that life comes after dying  
To embrace that I'm a slave until I'm captured  
But You would never use a lock or a key  
'Cause I am free

I could change my name, cover all my tracks  
But I'm wrong to think I could lose the past  
'Cause You found me here and You took me back  
Once a criminal, now a prodigal
