## **Emotions**

**Brenda Lee** 

Emotions, what are you doin'? Oh, don't you know, don't you know you'll be my ruin? You've got me crying, crying again When will you let this heartache end?

Emotions, you get me upset Why make me remember what I want to forget? I've been lonely, lonely too long Emotions, please leave me alone

Your worry my days, yes, you torture my nights Never a dream, no, those dreams never turn out right

Emotions, aww, give me a break Let me forget that I made a mistake Oh, can't you see what you're doin' to me? Emotions, please set me free

Your worry my days, oh, you torture my nights Never a dream, no, those dreams never turn out right

Emotions, aww, give me a break Oh, let me forget that I made a mistake Oh, can't you see what you're doing to me? Emotions...(ah, ah, ah) please set me free (Ooh, ooh, ooh)
