

# Let Me Belong To You

Brian Hyland

Make me your slave  
Tie me down, make me behave  
Let me belong to you

Make me be true  
Tell me what I can do  
Let me belong to you

I don't wanna be free  
Like a wave on the sea  
No place special to go  
But toss to and fro

Oh make me your own  
Never never leave me alone  
Make all my dreams come true  
Let me belong to you
