

# Breakthrough

Bridgit Mendler

Oooh Yeah mmm breakthrough

Up down spinnin' all around  
Fly high, fall into the ground  
Sometimes dreams can feel so far away  
Time keeps skippin' out of beat  
Left, right, trippin' on your feet  
Life is like a string of cloudy days

(Here we go)  
Sometimes it's raising your voice  
Sometimes it's making some noise  
Sometimes it's proving to the world it was wrong

Whenever you can't see the light  
Whenever there's no end in sight  
Keep on, keep on moving on  
Keep on moving on

Here comes a breakthrough, here comes a day  
Here comes a moment that you gotta go for it  
So don't let it get away  
It's time I breakthrough  
Just turn the page  
Cause everyday I'm getting closer  
Life is just a roller coaster

Shake it till you make it  
till you break it out ooo  
don't stop till you break it out ooo  
Shake it till you make it  
till you break it out ooo  
Don't stop till you break it out ooo

Stop, still take another breath  
Road block, move it to the left  
Get around whatever is in your way  
Heartbreak, pick up all the pieces  
Don't stop dancin' in the bleachers  
It's gonna be your turn to play  
Gonna be your turn to play  
Sometimes it's raising your voice  
Sometimes it's making some noise  
Sometimes it's proving to the world it was wrong

Whenever you can't see the light  
Whenever there's no end in sight (Here we go)  
Keep on, keep on moving on  
Keep on moving on

Here comes a breakthrough, here comes a day  
Here comes a moment that you gotta go for it  
So don't let it get away  
It's time I breakthrough  
Just turn the page  
Cause everyday I'm getting closer  
Life is just a roller coaster

I can see it in the blind sight  
Movin' through the limelight  
Groovin' to the music  
only use it when the times right  
Hoping I can do it through the shadows  
I can shine bright  
Usually life is only one shot and this is on  
Listen to the rhythm we given and it will make you  
Start pushin' through barriers it'll take you  
Wherever that you wanna go  
Never to late to  
Keep pushin' till you break through

Sometimes it's raising your voice  
Sometimes it's making some noise  
Sometimes it's proving to the world it was wrong (World it was wrong)

Whenever you can't see the light (Can't see the light)  
Whenever there's no end in sight (No one in sight)  
Keep on, keep on moving on  
Keep on moving on

Here comes a breakthrough, here comes a day  
Here comes a moment that you gotta go for it  
So don't let it get away  
It's time I breakthrough  
Just turn the page  
Cause everyday I'm getting closer  
Life is just a roller coaster

Shake it till you make it  
till you break it out ooo  
Don't stop till you break it out ooo  
Shake it till you make it  
till you break it out ooo (put your hands up)  
Don't stop till you break it out ooo (put your hands up)

Shake it till you make it  
till you break it out ooo  
Don't stop till you break it out ooo (don't stop, don't stop, don't stop no)  
Shake it till you make it  
till you break it out ooo  
Don't stop

Here comes a breakthrough
