

When Your Eyes Say It

Britney Spears

I love to hear you say that you love me
With words so sweet
And I love the way with just one whisper
You tell me everything
And when you say those words
It's the sweetest thing I've ever heard

But when your eyes say it
That's when I know that it's true
I feel it
I feel the love coming through
I know it
I know that you truly care for me
'Cause it's there to see
When your eyes say it

I love all the ways that you show me
You'll never leave
And the way your kisses, they always convince me
Your feelings run so deep
I love the things you say
And I love the love your touch conveys

But when your eyes say it...

But when your eyes say it
That's when I know that it's true
I feel it
I feel the love coming through
I know it
I know that you truly care for me
'Cause it's there to see
When your eyes tell me
I know they're not tellin' lies
They tell me
All that you're feelin' inside
And it sounds so right
When your eyes say it, say it

And the words that say take my breath away
No song ever sounded so sweet
I love every word that they say to me

But when your eyes say it...

But when your eyes say it
That's when I know that it's true
I feel it
I feel the love coming through
I know it
I know that you truly care for me
'Cause it's there to see
When your eyes tell me
I know they're not tellin' lies
They tell me
All that you're feelin' inside
And it sounds so right

When your eyes say it
