

Feel It

Britny Fox

You're taking me home
Oh, you're treating me right
You're taking me home
I'll get some lovin' tonight

You're driving me wild
Oh, you're getting me hot
I'll tell you in the morning
If I'm staying or not

Lock the door when I leave
Satisfaction guaranteed

Feel it
Feel it
Yeah, you're gonna feel it
Feel it
You're gonna feel it now

You're tearing it down
Yeah, you're making it right
You're moving to the music
Turn the day to night

You turn it up loud
Yeah, you turn up the heat
Move to the rhythm
Never missing a beat

Lock the door when I leave
Satisfaction guaranteed

Feel it
Feel it
Yeah, you're gonna feel it
Feel it
Yeah, you're gonna feel it
Feel it
Yeah, you're gonna feel it
Feel it
You're gonna feel it now

Feel it
Feel it
Yeah, you're gonna feel it
Feel it
Yeah, you're gonna feel it
Feel it
Yeah, you're gonna feel it
Feel it
Yeah, you're gonna feel it
Feel it
Yeah, you're gonna feel it
Feel it
