

# Drive All Night

Bruce Springsteen

When I lost you honey sometimes I think I lost my guts too  
And I wish God would send me a word send me something I'm afraid to lose

Lying in the heat of the night like prisoners all our lives  
I get shivers down my spine and all I wanna do is hold you tight

I swear I'll drive all night just to buy you some shoes  
And to taste your tender charms  
And I just wanna sleep tonight again in your arms

Tonight there's fallen angels and they're waiting for us down in the street

Tonight there's calling strangers, hear them crying in defeat.  
Let them go, let them go, let them go do their dances of the dead (let 'em go right ahead)

You just dry your eyes girl, and c'mon c'mon c'mon let's go to bed, baby, baby, baby

I swear I'll drive all night just to buy you some shoes  
And to taste your tender charms  
And I just wanna sleep tonight again in your arms

There's machines and there's fire waiting on the edge of town  
They're out there for hire but baby they can't hurt us now  
Cause you've got, you've got, you've got, you've got my love, you've got my love

Through the wind, through the rain, the snow, the wind, the rain

You've got, you've got my, my love heart and soul
