

Homicidal Suicidal

Budgie

Homicidal suicidal
One time lover, all night raver
One time killer, two drug peddler
Homicidal suicidal

Homicidal suicidal
Big time loser, big time boozier
Live and learn, let it burn
All time sinner, you're a winner

Homicidal suicidal
Big time loser, big time boozier
Live and learn, let it burn
All time winner, you're a sinner

Ooh yeah!
Homicidal suicidal
One time killer, two drug peddler
You killed a copper, you killed a copper
You done killed the copper,
You done killed the copper
You done killed the copper child, ooooh,
Homicidal suicidal
