

Don't Sell Out

Burning Spear

My island don't sell out
My island don't sell out, please don't sell out
My island don't sell out

Remember your teachers them now
Remember your nurses them now
Remember your doctors them now

My island don't sell out no, no, no, no
My island don't sell out, please don't sell out

Remember your farmers them now
Remember your workers them now
Remember your neighbors them now

My island don't sell out, please don't sell out
My island don't sell out

Remember your people them now
Remember the Masses
I'm a soldier of his Majesty
So therefore I can see

My island don't sell out, please don't sell out

My island don't sell out no, no, no, no
My island don't sell out
Servile Land

Remember your natives them now
Remember your afro slave yard
Remember your afro slave yard

My island don't sell out
My island don't sell out no, no, no, no
My island don't sell out, please don't sell out
My island don't sell out

Remember our future
Our island future
Remember our future

My island don't sell out
My island don't sell out, please!
My island don't sell out
No, no, no, no
No, no, no
Don't sell out please!
