

Strangler

Calla

Something's gotten into your head
Say what You said
Say what You said
I can do anything, anything
Though it doesn't matter to you
(I'll find it out)

I can get the same effect if you strangle me

Something's gotten hold of my tongue
See what You've done
See what You've done
I would give anything, anything
Just to see it happen to you
(I'll find it out)

I can get the same effect, if you strangle me
I can get the same effect, if you strangle me
I can get the same effect, if you strangle me
